Subject: Application for Cybersecurity / Network Engineer Trainee Position

Dear Hiring Manager,

I am writing to express my interest in the Cybersecurity / Network Engineer Trainee position at Deloitte. I am a BCA graduate and currently pursuing cybersecurity training. I have a basic understanding of computer networking and cybersecurity concepts.

During my training, I have practised network configuration using Cisco Packet Tracer, including VLANs, static routing, OSPF, and subnetting. I am also learning about network security, Wireshark, and network traffic analysis to improve my technical knowledge.

As a fresher, I am looking for an opportunity to gain practical experience, learn from experienced professionals, and understand how cybersecurity works in a professional environment. I am willing to learn new technologies and improve my technical and communication skills.

I would be grateful for the opportunity to contribute to your organization while developing my knowledge and skills. Thank you for your time and consideration. I look forward to hearing from you.

Sincerely,
Deepika Devkota

2. Portfolio Letter / Overview Document

To Whom It May Concern,

Subject: Professional Project Portfolio Summary

This document provides an overview of my technical knowledge, practical assignments, and projects in Computer Networking and Cybersecurity. I am a BCA graduate and currently pursuing cybersecurity training to develop my technical skills and gain practical experience.

Below is an overview of my technical work and projects:

- **Network Architecture Simulation (Cisco Packet Tracer):** Practised designing network topologies using routers and switches. Worked on VLAN configuration, static routing, OSPF, and network connectivity.
- **Subnetting and IP Addressing:** Practised IPv4 addressing, subnet masks, CIDR notation, network IDs, broadcast addresses, and usable host ranges.
- **Network Traffic Analysis (Wireshark):** Practised capturing and analysing network packets and identifying protocols such as TCP, UDP, and DNS to understand network communication.
- **BCA Academic Projects:** Developed a static government portal and a YouTube Pro Downloader application using Python and SQLite as part of my academic work.
- **Cybersecurity Learning:** Currently developing my understanding of network security, common cyber threats, and security practices through coursework and practical lab exercises.

As a fresher, my goal is to strengthen my technical knowledge, gain hands-on experience, and learn how networking and cybersecurity concepts are applied in real-world environments.

My project files, network diagrams, and technical documentation can be shared through my portfolio or GitHub repository as they become available.

Thank you for taking the time to review my portfolio overview.

Sincerely,
Deepika Devkota

3. Recommendation Letter / Letter of Appreciation

Kamlesh Shukla
Trainer / Mentor

To Whom It May Concern,

Subject: Letter of Recommendation for Deepika Devkota

I am pleased to recommend Deepika Devkota for opportunities in Computer Networking and Cybersecurity. As her trainer and mentor at TOPS Technologies, I have had the opportunity to guide her in developing her technical knowledge and practical skills.

During her training, Deepika has studied computer networking concepts and practised network configuration using Cisco Packet Tracer. Her practical learning includes IP addressing, subnetting, VLANs, static routing, and OSPF. She has also practised network traffic analysis using Wireshark as part of her coursework.

Deepika is eager to expand her technical knowledge and gain practical experience in cybersecurity. Her interest in learning new concepts can help her continue developing the skills required for entry-level opportunities in networking and cybersecurity.

I recommend Deepika for suitable trainee or internship opportunities where she can apply her knowledge, learn from experienced professionals, and grow in her chosen field.

Please feel free to contact me for any further information.

Sincerely,

Kamlesh Shukla

4. Experience Certificate / Employment Verification Letter

TOPS Technologies, Ahmedabad
[Company / Institute Letterhead]

Date: October 15, 2026

TO WHOM IT MAY CONCERN

This is to certify that **Deepika Devkota**, from Ahmedabad, Gujarat, was enrolled as a **Cybersecurity and Networking Trainee** at TOPS Technologies, Ahmedabad, from **[Start Date] to [End Date]**.

During her training, she studied computer networking concepts and practised network topology design, IP addressing, subnetting, VLAN configuration, static routing, and OSPF using Cisco Packet Tracer. She also gained practical exposure to network traffic analysis using Wireshark as part of her coursework.

Throughout the training period, Deepika showed an interest in learning new technical concepts and improving her knowledge of computer networking and cybersecurity.

We wish her success in her future academic and professional endeavours.

Subject: Expression of Interest – Entry-Level Cybersecurity / Networking Opportunities

Dear Hiring Manager,

I am writing to express my interest in entry-level career opportunities in Cybersecurity and Computer Networking at Deloitte. I am a BCA graduate and currently pursuing cybersecurity training to develop my technical knowledge and practical skills.

During my training, I have practised network configuration and simulation using Cisco Packet Tracer, including VLANs, static routing, OSPF, and subnetting. I have also practised network traffic analysis using Wireshark to understand network communication and protocols.

As a fresher, I am eager to gain practical experience, learn from experienced professionals, and understand how cybersecurity and networking concepts are applied in a professional environment. I am interested in opportunities where I can improve my technical skills and contribute to the team while continuing to learn.

I would appreciate the opportunity to discuss how my educational background and current technical skills align with your organization's requirements. Please find my resume attached for your consideration.

Thank you for your time and consideration. I look forward to hearing from you.

Sincerely,
Deepika Devkota

6. Follow-Up Letter (After the Interview)

The Hiring Manager
Human Resources Department
Deloitte
Ahmedabad, Gujarat, India

Subject: Follow-Up Regarding Interview for Cybersecurity Trainee Position

Dear Hiring Manager,

Thank you for taking the time to interview me for the Cybersecurity Trainee position at Deloitte. I appreciate the opportunity to discuss the role and learn more about your organization.

Our conversation increased my interest in working in the field of cybersecurity and computer networking. As a BCA graduate currently pursuing cybersecurity training, I am eager to apply my technical knowledge, gain practical experience, and learn from experienced professionals.

Please let me know if you require any additional information or documents from my side. I look forward to hearing from you regarding the next steps in the selection process.

Thank you again for your time and consideration.

Sincerely,
Deepika Devkota

7. Acceptance Letter (After Receiving a Job Offer)

Deepika Devkota

Deloitte

Subject: Acceptance of Job Offer – Cybersecurity Trainee Position

Dear Hiring Manager,

I am pleased to formally accept your offer for the Cybersecurity Trainee position at Deloitte. I am grateful for this opportunity to begin my professional career in the field of cybersecurity and computer networking.

I look forward to applying my existing technical knowledge, gaining practical experience, and learning from experienced professionals within your organization.

As discussed, my joining date will be **[Confirmed Start Date]**. I will complete and submit all required onboarding documents before my joining date.

Thank you once again for this opportunity and for placing your trust in me. I look forward to joining your team and contributing to the organization.

Sincerely,
Deepika Devkota

8. Declination Letter (After Receiving a Job Offer)

Deloitte

Subject: Declination of Offer – Cybersecurity Trainee Position

Dear Hiring Manager,

Thank you very much for offering me the Cybersecurity Trainee position at Deloitte. I sincerely appreciate the time and effort your team invested in the recruitment process and for considering me for this opportunity.

After careful consideration, I regret to inform you that I must respectfully decline the offer, as I have decided to pursue another opportunity that more closely aligns with my current career goals in cybersecurity and computer networking.

This was not an easy decision, and I am grateful for your time, support, and consideration throughout the selection process.

Thank you once again for the opportunity. I wish Deloitte and your team continued success in all future endeavours.

Sincerely,
Deepika Devkota

9. Leave-of-Absence Request Letter

Deepika Devkota
deepikadevkota55@gmail.com | 7849851369
Ahmedabad, Gujarat, India

Date: October 15, 2026

The Training Instructor
TOPS Technologies
Ahmedabad, Gujarat

Subject: Request for Leave of Absence

Dear Sir,

I am writing to request leave for two days, from October 16, 2026, to October 17, 2026, due to personal reasons.

I will make sure to complete any pending coursework, practical lab exercises, and assignments after returning. I will also check for any missed lessons and complete the required work.

I kindly request you to approve my leave for these two days. Thank you for your understanding and consideration.

Sincerely,
Deepika Devkota

10. Resignation Letter

Deepika Devkota

Ahmedabad, Gujarat, India

Date: October 15, 2026

The Manager
Cybersecurity Department
Deloitte

Subject: Formal Resignation – Deepika Devkota

Dear Sir/Madam,

Please accept this letter as formal notification of my resignation from my position as **Cybersecurity Trainee** at Deloitte. My last working day will be **[Last Working Date]**, as per the applicable notice period and company policy.

I am grateful for the guidance, technical knowledge, and professional experience I have gained during my time with the organization. Working with

the team has helped me learn more about cybersecurity and computer networking.

During my remaining time, I will do my best to complete my pending tasks and ensure a smooth handover of my responsibilities.

Thank you for your support and guidance. I wish the organization continued success in the future.

Sincerely,
Deepika Devkota
